Registration Fine Print

[blank] Space creates coworking spaces that provide a professional yet relaxed work environment for people looking for a creative, affordable way to work in and around Montpelier, Vermont. Our present location is Local 64 located at 43 State Street, Second Floor West. Our goal is to grow into a lively, supportive community of creatives, consultants, small business owners, freelancers, students and other professionals looking for a downtown presence.

The [blank] Space philosophy is simple: come together, do good work, care about and contribute to our community. A mix of open space and private offices offers many advantages, from networking and collaboration opportunities to easy access to shared resources, opportunities for play such as film nights, workshops, and study hours for young people.

Membership

There are four levels of membership (Nomad, Settler, and Anchor); expectations are the same for all:

- Respect [blank] Space and all the fine people who are part of it. We'll work hard to support you and help market you as much as you'd like; you can help us by sharing the love and spreading the word.
- Agree to our Terms of Service. Be insured; while we'll do our best to create a safe and productive environment, we're not responsible for your stuff. Please plan to protect yourself.
- Be open to events in the space. All events will be posted on the community calendar and all members and outside hosts will be given ample warning.
- Help us grow. Be a part of planning discussions as best as you can and play an active role in shaping the look, feel, and vibe by sharing everything from programming ideas to governance and nitty gritty business processes.

Tenancy

Completion or acceptance of a [blank] Space Registration does not create a tenancy; it fulfills a prepaid usage license to use the provided amenities on a monthly basis. This license is fulfilled on completion of a Membership Application and agreement to the Terms of Use; it can be renewed each month for memberships with consent of each party. *Five and ten percent discounts are available for six-month and twelve-month usage agreements.*

Fees and Refunds

Monthly membership fees are not refundable. Three- and six-month advance payments are refunded from the first full 30-day period after notification has been received. [blank] Space requests 30-day notice of non-renewal of membership for Settler (office) members.
